

we pray for...

Father God,
Thanks for the gift of this priest, who is
your son - loved, created, inspired and
forgiven by you.

Jesus,
Thank you that this man has responded to
the call to follow you as a priest, despite
the sacrifice this has cost him.

Holy Spirit,
Come and invigorate him completely with
your love, setting him on fire so that he may
continue to be a sign of your presence in
our world.

*Lord, you call us all to follow you more and
more closely each day. We pray for more
priests into the future to help guide us in
the adventure of following you. Amen*
